**BRIEF IN SUPPORT OF  
SECOND MOTION TO DELAY SELF-SURRENDER**

On November 16, 2023, this Court sentenced Steven King to serve 54 months' custody for wire fraud and healthcare fraud. On January 4, 2024, counsel notified Mr. King that the Bureau of Prisons ordered him to surrender on January 16, 2024, to the minimum security camp at FCI Williamsburg in Salters, South Carolina. On January 11, 2024, this Court granted an initial motion to delay surrender, citing the then-pending hearing on the government's motion for an order of forfeiture, foreclosure proceedings against King's home, and the health of his mother. (ECF No. 342.) The Court adjourned surrender until on or after March 1, 2024.

Mr. King now requests another adjournment of his surrender date, again for three reasons. First, as shown in exhibit 1 to this motion, a state court has ordered a case management conference in his foreclosure case to be held on May 2, 2024.

Mr. King wants to attend that conference and likely will not be able to from custody. Second, this Court heard arguments on the government's forfeiture request on January 18, 2024, and the parties are awaiting a ruling. Allowing Mr. King to remain in the community will make it significantly easier to facilitate attorney/client consultation once this Court issues its ruling. Third, Mr. King continues to act as caretaker for his mother; he reports that she is out of the hospital but remains on supplementary oxygen, which is limiting her movement and functionality.

The government does not oppose this request. Mr. King has continued to comply with the terms of his pretrial release before and after his sentencing. He respectfully asks to adjourn his surrender to a date on or after May 3, 2024.

Respectfully submitted,
